The next steps...

- Porchester Junior School is our linked junior school, and the children transfer at the end of Year 2.
- The link between the schools is strong and children are well prepared to make the transition successfully.
- Look out for Porchester's open days if you would like to learn more.

PTA

- The PTA is led by a committee which organises a wide range of events which focus on raising money and providing social events for parents and families
- This year they have already organised a pub quiz at the Brickyard pub, where all the profit raised went to the school.
- They are busy organising a stall for the Christmas light switch on too.
- They are always looking for more volunteers so if you send your child to Standhill please ask at the office for more details about how to sign up.
